Thank you for your interest in the Martin House Inn, one of the premier bed and breakfast resorts located on the quaint and historic island of Nantucket.

The Martin House Inn was originally built in 1803 by whaling ship captain and gentleman Nathaniel Sherman for his bride Hepsabeth. Situated in the heart of Nantucket's famed "historic district", this resplendent mariner's mansion will take you back to a romantic place and time, when the new world was still being discovered, and America was hardly yet a notion. Nestled in a quiet residential neighborhood on a meticulously landscaped property, the inn is within easy walking distance to all downtown shops, restaurants, beaches, museums and ferry services. Although best known as a summer resort, Nantucket Island is extraordinary in every season, and the Martin house Inn welcomes you with crackling fireplaces, down comforters, home-made afternoon treats, and special activity weekends during the quiet season. Combining sumptuous new world luxury and elegance

with the warm atmosphere, nostalgic charm, and romantic intrigue of the old world, the Martin House Inn welcomes you to discover, with heartwarming comfort, the unforgettable beauty and enchantment of this far away island.

We take pride in offering our guests personal service in a warm and friendly setting. To help us provide you with the best possible service in planning your special Nantucket visit, please contact us directly at 508-228-0678 to discuss your individual requirements. If you are already familiar with the island and the inn, you may prefer to go on-line at www.martinhouseinn.net.
